

CURRICULUM VITAE

JONATHAN DAVID HUPPERT, PH.D.**Updated: August 2023****1. PERSONAL DETAILS****Country of Birth:** USA**Date of Immigration:** July 31, 2007**Nationality:** Israeli, US (binational)**Marital status:** Married**No. of children:** 4**Permanent address:** Mordechai HaYehudi 23, Jerusalem, Israel 93627**Work Tel:** 02-5883376**E-mail address:** jonathan.huppert@mail.huji.ac.il**Webpage:** <http://anxietylab.huji.ac.il/>**2. Higher Education:***Bachelors of Arts*, Magna Cum Laude: University of Pennsylvania, Double major: Psychology, Religious Studies May, 1993.*Masters of Arts*, Boston University, Psychology: May, 1994.*Doctorate in Clinical Psychology*: Boston University, March, 1999

Dissertation Title: Human Behavioral Persistence and Obsessive Compulsive Disorder: An Analysis of a Learning Model of Compulsions.

Post-doctoral Fellowship: 1998-2000, New York Presbyterian Hospital\ Weill College of Medicine of Cornell University**3. Appointments at The Hebrew University:***August 2007- February, 2016*, Associate Professor of Psychology, clinical program, Faculty of Social Sciences: The Hebrew University of Jerusalem, with Tenure (November, 2009).*February 2016- present*, Professor of Psychology, Faculty of Social Sciences: The Hebrew University of Jerusalem**4. Additional Functions/Tasks at the Hebrew University:**

Committee for the allocation of infrastructure funds in the Faculty of Social Sciences (2008)

Committee for the nomination of temporary faculty in the School of Social Sciences (2008- 2009)

Supervisor for CBT at Student Counseling Center (2007-2014, 2016-present)

Head of the ethics board for the Faculty of Social Sciences (2009- 2014)

Development committee, Department of Psychology: (2008-2014, 2015-present)

Grants and allocation of funds committee, Department of Psychology: (2008-2012, 2015-2018)

Committee for the appointment of a senior faculty member in the department of social work (2009)

Development committee, Faculty of Social Sciences: (2012-2014)

Head of Clinical Program, Department of Psychology (2011-2014)

Lecture to Australian Delegation of Psychologists (2011-2014)

Director of Charedi (ultra-orthodox) Training Program, Department of Psychology (2013-present)

Chair, Department of Psychology (October 2015-October 2018)

Chair of Social Science Faculty committee on research and infrastructure (2018-2019)

University Ethics in Human Research Board (2019- present)

5. Service in other Academic and Research Institutions

Assistant Professor of Psychology in Psychiatry: 2000- 2007, University of

Pennsylvania School of Medicine, Center for the Treatment and Study of Anxiety

Adjunct Associate Professor of Psychology in Psychiatry: October, 2007- 2019, University of

Pennsylvania School of Medicine, Center for the Treatment and Study of Anxiety: Supervision of research, co-investigator on a number of projects, completion of remaining research, data analysis

Visiting Scholar, Department of Psychology, Harvard University: August 2014- July 2015

6. Other Activity:

Member of committee for Quality Assurance in Mental Health Services (Ministry of Health, Israel): 2010-2011

Training of supervisors, therapists, interns and practicum students at student counseling center of The Hebrew University (2007-present) and Community Mental Health Centers (Shimon Chacham (2008, 2013-2014), Kiryat Yovel (2009-2011), Talpiyot (2011-2014), Maaleh Adumim (2012-2014) in the provision of cognitive behavioral therapy

Private Practice (supervision and treatment): approx. 6 hours a week: 2008-2014, 2018-present

Chair, Subcommittee on Core Curriculum, Skills for the Beginning Internship, and Training in Clinical Psychology (Under the Auspices of the Committee for Clinical Psychology, Counsel of Psychologists, Ministry of Health, Israel): 2012-2013

Consultant for Nefesh B'Nefesh a partner of the Jewish Agency (consultant for individuals interested in practicing psychology in Israel) (2013-2014)

Scientific Chair, European Association of Cognitive Behavioral Therapy 45th annual congress held Sept 2015, (2012-2015): 1040 attendees from 50 countries

Member of committee for standards in mental health care (Ministry of Health, Israel): 2016-2018

Chair and initiator of collaborative project with Ministry of Health: Improving access to Psychological Treatments in Israel (2018- present)

7. Membership in a professional association

American Psychological Association: 1996- 2008

American Psychological Association, Division 12: 1995-2008

Association for the Advancement of Behavior Therapy: 1996- present

Society for Scientific Clinical Psychology, section III, Division 12 of APA: 1993-present

Society for Psychotherapy Research: 2000-2001, 2006-2008, 2013-present

American Psychological Society: 1995-1997, 2013-2015

“Ofakim” – A new Society for Scientific Clinical Psychology in Israel: 2007-present.

Israeli Association for Cognitive Behavioral Therapy- 2007-present

Professional license: Clinical Psychology, New York and Pennsylvania (on hold), Clinical Psychology-Israel: 2008) supervisor status in both psychotherapy and assessment): 2014: 27-82011 (psychologist) 27-26271 (clinical), 27-32151 (supervisor)

Editorial Board Member of

Clinical Psychological Science (2016-present)

Cognitive Therapy and Research (2006 – present; Associate editor starting 2023)
International Journal of Cognitive Therapy (2008-present)
Journal of Anxiety Disorders (2002-present)
Journal of Consulting and Clinical Psychology (2020-present)
Psychotherapy Research (2019-present)
Behavior Therapy (2002-2013)
Journal of Abnormal Psychology (2007-2013)

Research Grants

2000 US National Institute of Mental Health NIMH R24 *Residual impairments in OCD* (co-Investigator) (PI: Edna B.Foa)

2000-2002 US National Institute of Mental Health NIMH R01 *Fluoxetine, CBT, and combination in Social Phobia* (co-Investigator) (PI: Edna B Foa)

June 11, 2003- July 31, 2007. US National Institute of Mental Health (K23MH064491) *Mentored Patient-Oriented Career Development Award: “Cognitive Training for Social Anxiety”*, (Principle investigator)

Nov 2009-Nov 2013: Israel Science Foundation (332/09) *“Interpretations and malleability in social anxiety”* 156,000 NS for 4 years + 1 year no-cost extension (Principle investigator)

November 2011- January 2014: Milton Rosenbaum Grant *“Attention Training in social anxiety”* (70580 NS)

Nov 2012- March 2013: Israel Science Foundation/Institute for Advanced Studies Workshop Grant, *Social Anxiety and Reactivity to Interpersonal Stress, From Basic Research to Empirically Derived Treatments* 105,000 dollars (co-Principle Investigator with Eva Gilboa Schectman)

August 2013-August 2015 Sturman Foundation *“Cognitive Biases in Social Anxiety”* (5,000 US Dollars).

Oct 2015-Sept 2020 Israel Science Foundation (1698/15) *“Is there a diminished placebo effect in OCD? Meta-analysis and experimental evaluation of potential contributing factors”* 250,000 NS for 5 years (1,250,000 total; Principle investigator)

Nov 2016-Sept 2019 Institute of Health Policy Research (approved May 2016) *“Attitudes of professionals and patients regarding the use of Web-based interventions to treat depression and anxiety”*: 286,616 NS over 3 years (Principle Investigator)

July 2016- July 2018, Canadian Institute of Health Research Project Grant *Understanding the psychological effects and mechanisms of imagery rescripting for social anxiety disorder: A controlled experimental study*, \$100,000 Canadian over 2 years (Co-Investigator) Principle investigator: D. Moscovitch

July 2018-June 2019 Hebrew University grant for interdisciplinary work on Personalized Medicine *Searching for exosomal miR biomarkers and mechanisms underlying the difference between Panic Disorder patients who are responders and non-responders to Cognitive Behaviour Therapy*. (co-PI, with Hermona Soreq and Ronen Segman),: \$53,000 US

2019-2021 Hebrew University – Utrecht University Center for Partnership in Science (HUPS). 13,000 Euro. Same problem – Different outcomes: Novel, experimental approaches focusing on learning curves to predict and improve anxiety-related treatment response. In collaboration with: Dr. Elske Salemink, Prof. Iris Engelhardt, and Dr. Eyal Kalanthroff.

2020-2025 Israel Science Foundation grant 1905/20- 5 years *Imagery based interventions for the treatment of anxiety-related disorders: mechanisms and optimizing outcomes*, 330,000 NIS/Year plus 35000 NIS international collaboration funds (total: 1,685,000 NIS). PI: Jonathan D. Huppert, Co-Is: David Moscovitch, Iris Englehardt

2021- 2022 Global Faculty Research Seed Grant *The Mechanisms of Large-Group Exposure Therapy for*

Anxiety Sensitivity: An International Collaboration: \$10,000, co-PIs: Jonathan D. Huppert and Jasper Smits

Awards

2017 Lawrence H. Cohen Outstanding Mentor Award of the Society for a Science of Clinical Psychology

Teaching at the Hebrew University:

a) Supervision of Master's and doctoral degree students

Master's degree student completed (23 total):

2008

Ariel Shapiro, *Attachment Style and Faith in God As Predictors of Level of Distress and Tendency to Avoid Stressful Situations.*

2009

Roni Pener Tessler: *Development of a Measure for the Assessment of Religious Obsessive-Compulsive Behavior among Jews*

Amir Katz: *Topics and Characteristics of Intrusive Thoughts among Children and Adolescents*

2010:

Noa Bassi: *The relationship between personality, values, and choice of theoretical orientation*

Moshe Gross: *Intimate Relationship with God as a Buffer Against Terror of Death*

2011:

Ravit Hayon: *The Role of Attention During Exposure Treatment for Specific Phobia*

Gil Carmeli: *The relationship between preference for solitude, attachment, and emotion regulation*

Haya Shenhav: *The effects of techniques and the therapeutic relationship on patient expectations*

Elad Zlotnick: *The Core Fear Questionnaire: Psychometric assessment and theory (79)*

Itamar Nativ: *Self regulation as an explanation of stereotyping in the face of eliciting death concepts*

2012:

Guy Fluman: *Environment as provoking social anxiety- effects of environmental assertiveness and expressed social skills on social anxiety.*

Ishay Meller: *The influence of prayer on anxiety: An experimental analysis*

Adi Rozen (with Alan Apter, Dept Psychology, Bar Ilan and Schneider Hospital): *The Relation between Suicide Attempts, Self injury and Risk Behaviors among Adolescents- Does a Continuum of Self Destructiveness Exist?*

Noa Benami: *The relationship between therapeutic presence, as measured by an independent observer, and the therapeutic alliance and treatment outcome*

Anna Usvitsky: *The Mechanism Underlying Interoceptive Exposure – Belief Disconfirmation or Extinction?*

Ami Wiezel: *The influence of Responsibility, Thought-action fusion and Compulsions on the placebo effect in OCD compared to Specific Phobia*

Marian Linetsky: *Combining reappraisal and acceptance for emotion regulation of affective pictures*

2013

Ettya Bernhart Magen *Objectified: The relationship between sexual objectification, sexual assault and social reactions following disclosure of these events and self-objectification, anxiety and depression symptomology among women*

Benny Horwitz *A qualitative analysis of contemporary rabbinical perspectives on scrupulosity*

2014

Becky Haendel *The effects of social anxiety on how gratitude impacts cooperative economic exchange and trust*

Ariella Friedman *Further Development of a Jewish Measure of Scrupulosity (the JIOS): Psychometric Evaluation and an Examination of Related Factors*

Ben Katz *The Effects of Relational Control in Cognitive Behavioral Therapies for Anxiety Disorders*

Chen Regev (with Alan Apter, Dept Psychology, Bar Ilan and Schneider Hospital): *Symptom Severity and Efficacy of Psychological Treatment among Children Suffering from PTSD after a Car Accident: a Comparison between Children with and without TBI*

2015

Elad Golan *Don't judge a book: The influence of an established inaccurate diagnosis on evaluating patients*

Tal Harel *Reappraisal tactics – their use and effectiveness in people with SAD*

Idan Kaufman *The relationship of death anxiety and meaning in life with anxiety sensitivity: comparing patients during cognitive-behavioral therapy for panic disorder and nonpatients*

Inbar Gollop *Social Anxiety, Sense of Control and Computer Mediated Communication*

Itamar Aravot (with Danny Brom, Dept of Social Work) *Combat-Guilt and PTSD Symptoms: an Examination of the Independence of Guilt through an Intervention for Discharged Soldiers*

Stav Bilham *Impact of listening in CBT for panic and its interaction with attachment style: implicit and explicit measures*

Or Zurubavel *Bimodal thinking in panic and its changes with CBT for panic and social anxiety*

Nitzan Yekutieli *Evaluating cognitive and behavioral skills change in CBT for panic*

Dina Zalaznik *Alliance and attachment in CBT for panic*

2017

Penina Twersky *The rupture repair relationship in the treatment of social anxiety*

Liav Schoener *Heart Beat Perception- A Comparison Between Obsessive -Compulsive Tendencies and Anxiety Sensitivity*

2018

Tom Livni- *semantic changes in imaginal exposures of PTSD in responders vs. nonresponders to PE*

Meir Boxner- *Treatment resistance in CBT for panic disorder*

2019

Noah Lichtenstein- *The relationship between rupture and repair in working alliance, attachment style and therapy outcomes in CBT for panic disorder*

Snir Barzilay- *Habitual or Hyper-Controlled Behavior: OCD symptoms and Explicit Sequence Learning*

- Maayan Tal- *Openness and acceptance among professionals in Israel regarding therapist guided internet cognitive behavioral therapy (ICBT)*
- Danny Schessman- *Acceptability of internet based CBT for depression and anxiety for the general public*
- Rotem Moshe- *Congruence in Patient-Therapist Therapeutic Alliance Ratings and Its Relation to Outcome in Cognitive Behavioral Therapy for Panic Disorder*

2020

- Orin Rosner- *Construal Theory in OCD, GAD, and controls*
- Hadassah Romi- *The connection between modesty, sexual education and sexual functioning at different levels of religious observance and mediation through sexual guilt*
- Asaf Cohen- *Sexual functioning in panic and impact of iCBT*
- Maayan Cohen- *An examination of mechanisms of CBT and psychodynamic interventions for anxiety sensitivity: an analog study*
- Amit Sharoni- *an examination of the alliance as a mediator of mechanisms of CBT and psychodynamic interventions for anxiety sensitivity: an analog study*

2021

- Hadar Arnon- *Usage characteristics as predictors of therapeutic alliance, dropouts and outcome in Internet-based CBT (ICBT) for Panic Disorder*

2022

- Tal Furstenberg *The Influence of Imagery-Based Interventions, Imaginal Exposure (IE) and Imagery Rescripting (IR), on Mechanisms of Thought Fusion (TF) and Thought Suppression (TS) and on Social Anxiety (SA) Symptoms*
- Yitzchak Jacobson *Adjusting iCBT treatment for SAD to suit the ultra-Orthodox community; A pilot study.*
- Doaa Taha *What can beliefs about God tell us about obsessiveness? Thought Fusion, beliefs about God, and obsessive-compulsive disorders among religions*
- Dana Coutts *Placebo Effect among OCD and GAD in an Online Study*

2023

- Yisrael Frankel- *Thinking about sinning, or sinning by thinking? Clarifying the relationship between thought-action fusion and scrupulosity in highly religious Jews, Muslims and Christians*

2024

Asaf Berko
Lama Kayal
Shulamit Finkelman

In progress:

Bar Sofer
Sigal Dotan
Tal Madjar Plada
Yarden Yitzkchaki

Yoav Amitai
Baraa Kabha
Noa Broder

Doctoral degree students:

There are currently 4 students who are doing a PhD with me

Completed:

- Yogev Kivity : *Emotion Regulation in Social Anxiety Disorder and Its treatment* (Dec. 2015)
Lior Cohen: *The role of a lack of Positive Affect in Social Anxiety disorder and its treatment* (March, 2017)
Yoni Elizur: *Motivation, Expectancy, and Self Criticism in Social Anxiety and its Treatment* (Dec, 2017)
Michal Weiss: *Implicit and Explicit Reactions to Rejection and Acceptance in Vulnerable and Grandiose Narcissism* (Nov, 2019)
Itzik Fradkin: *Agency and Control in OCD* (Aug, 2019)
Yael Millgram (with Maya Tamir): *Emotion Goals in Depression* (May, 2020)
Asher Strauss: *Decision Making in OCD* (Dec, 2020)
Tal Ganor (with Nilly Mor): *Training Executive Control in Depression: Impact on emotion regulation*(dissertation submitted, under review) March 2021
Asala Halaj: *Insight and treatment of anxiety disorders* (January 2022)
Dina Zalaznik: *Attachment and alliance in internet based CBT* (March, 2023)

In progress (proposal approved):

- Elad Zlotnick: *Core fears – Theory, Evaluation, and Clinical implications*
Snir Barzilay: *When Mental Imagery Leads to Thought Fusion: Suboptimal Contextual Integration of Mental Simulations*
Hila Sorka: *Interpersonal imagery and emotion regulation processes in anxiety*
Hadar Arnon: *Between Engagement and Adherence: A Theoretical and Empirical Analysis*
Avishai Ella: Pre proposal stage.

b) Post-doctoral Fellows and Visitors (6 months or longer):

- 2017-2018 Naama Shafran
2020-2021 Asher Strauss
2019-present Rivka Ginat-Frolich
2021-present Asala Halaj

Lectures by invitation

- October 2007 *Complexities of Treating Orthodox Jewish Patients with Scrupulosity : When religion and OCD collide* Ezrat Nashim Mental Health Center, Jerusalem, Israel
January 2008 *Therapists, Nonspecifics, and Techniques: What matters more?* Israel Association of Cognitive Behavioral Therapy, Tel Aviv, Israel

- October 2009 *"Scrupulosity: Clinical and Empirical Considerations"* Israel Society of Biological Psychiatry, Ramat Gan, Israel
- May 2012 *Cognitive Biases in Social Anxiety*. International meeting of anxiety at Tel Aviv University
- June 2012 *The therapeutic alliance in CBT for anxiety disorders*. Department of Psychology, Clinical Program colloquium, University of Tel Aviv
- January 2013 *Interpretation Bias in Social anxiety*. Institute for Advanced Studies, the Hebrew University
- March 2013 *Common and Specific Factors in CBT for Panic disorder*, Clinical Psychology Program, Nova University
- September 2013 *The Mental Health Reform: Empirical Questions. What can we learn from other reforms from around the world?* Presented at special meeting of Israel Psychological Association, Clinical Section
- October 2013 *Specifics and Nonspecifics in CBT for anxiety disorders*. Department of Psychology, University of Cyprus
- November 2013 *Results of the subcommittee on the training of clinical psychologists*, Ministry of Health, Counsel of Psychologists, Committee of Clinical Psychologists, Open Meeting
- June 2014 *Specifics and Nonspecifics in CBT for anxiety disorders*. Department of Psychology Colloquium, The Hebrew University
- October 2014 *Interpretation Bias in Social Anxiety*. Laboratory of Prof. Richard McNally, Harvard University
- November 2014 *Interpretation Bias in Social Anxiety*. Laboratory of Prof. Stefan Hofmann, Boston University
- April 2015 *Treatment of Anxiety Disorders: Mechanisms and Outcomes*. Clinical Colloquium at Harvard University Department of Psychology
- June 2015 *Why are there diminished placebo effects in OCD?* Anxiety Research Clinic, New York State Psychiatric Institute
- June 2015 *Imaginal Exposure in the Treatment of Anxiety: History, Theory, and Practice*. Center for Anxiety and Related Disorders, Boston University Department of Psychology
- January 2017 *Treatment of Social anxiety disorder: cognitive biases and their relationship to treatment outcomes*. Bar Ilan University, Dept of Psychology colloquium
- March 2017 *Treatment of panic disorder: mechanisms and outcomes* Bar Ilan University, Dept of Psychology clinical colloquium
- April, 2017 *Treatment of panic disorder: mechanisms and outcomes* Ben Guirion University, Dept of Psychology
- January 2018 *Common and specific factors in the treatment of anxiety disorders* Colloquium, Department of Psychology, Clinical Program, Tel Aviv University
- March 2018 *Common and specific factors in the treatment of anxiety disorders* Colloquium, Department of Psychology, Clinical Program, University of Waterloo
- April 2019 Halachic Conference on OCD- Dialog with HaRav Gans- Forum Haredim, Jerusalem
- Sept. 2019 *Can we use laboratory studies to understand diminished placebo effects in OCD?* PIPS group, Harvard Medical School
- July 2020: *Internet based treatments: the way of the future*, Israel Society for Biological Psychiatry
- Nov 2020 *Treatment of panic disorder: past and future*. Dept of psychology, Haifa University
- May 2021 *Internet based treatments: the way of the future*, Dept. of Occupational Therapy, HUJI

- Oct 2020 Treatment of panic disorder: past and future. Dept of psychology, Tel Aviv University
- April 2022 From lab to the clinic and back: basic and applied research on psychotherapy for panic disorder, Department of Psychology, University of Geneva, Switzerland
- Nov2022 Diagnosis and treatment of OCD in the Charedi Community. Bayit Ad Lechem- Charedi Rabbinical Forum
- Nov 2022 Emotional Processing Theory: Then and Now. Festschrift in honor of Edna Foa, University of Pennsylvania School of Medicine
